Coloured pennants matching the class flag are to be flown from the backstay. When class flags are displayed simultaneously, these classes will start together.

5 RADIO COMMUNICATIONS

The RC will broadcast on channel 68.

6 AREA & MARKS

The start/finish line will be located at 42°20.884'N 82°50.866'W. An octagon of permanent marks for the course races is centered there. Marks are white can buoys — even numbered can buoys have an orange top.

All bearings are magnetic.

7 COURSES

The RC boat shall display a course identification number to indicate the course to be sailed as detailed in the table *Course Bearings*. Marks are to be left to port.

After having started properly, boats shall stay clear of the start/finish line except when finishing.

All distances are in nautical miles.

8 THE START

The start/finish line will be between the RC flag on the RC boat and an orange mark at the other end of the line.

Boats shall stay clear of the start area and the first leg of the course before racing.

9 TRAILING FINISHERS

The RC may offer last place or other obvious places to trailing boats without requiring them to cross the finish line. Please monitor channel 68. After accepting such a place a boat should proceed directly to the start area for subsequent races.

10 PROTESTS

Protests forms will be available in the clubhouse office after the RC boat docks.

The protest time limit is 1 hour after the RC boat docks.

Notices will be posted no later than 1 hour after the protest time limit to inform competitors of hearings in which they are parties or named as witnesses.

11 SCORING

One race is required to be completed to constitute a regatta. A boat's series score will be the total of her race scores.

12 PRIZES

Prizes are SPSC Invitational Regatta flags.
